Space Crusade

Bolter, chainsword. Power armour is already in the Toughness.

Space Crusade

Power weapon, bolt pistol. Artificer power armour is already included in the Toughness.

*Space Crusade / Mission
Dreadnought*

Assault cannon, power fist. Toughness 18: only a damage dice of 12 wounds it, and that dice is rolled again. A Fusion Gun rolls double damage dice against it.

--	--

Space Crusade

--

Heavy Bolter or Missile Launcher, chainsword. Speed already includes the -2 for the heavy weapon.

Mission Dreadnought

A station turret slaved to the enemy. Cannot move and cannot attack in hand-to-hand; the Weapon Skill of 2 is only for working out hits against it. Fires at the nearest model it can see.

Mission Dreadnought

--

Las-cannon and conversion beam, power fist. Toughness 20: wounded only on a damage dice of 12, rolled again. Fusion Guns roll double dice.
